

Join the Jason Foundation's *Future 500* Membership Application

As a member of the Future 500, you will be helping to save lives both through the work of The Jason Foundation throughout the nation as well as providing resources for you, your family and if a company membership - for your employees. Your membership provides you and your company's employees families (if a company membership) access to a customized web-based "Future 500 Parent Resource Program" (Future 500-PRP). The Future 500-PRP will provide information about warning signs and elevated risk groups for suicidal ideation. It also provides tools and resources to help you assist an at-risk young person in getting help. It is available by direct link or if a company membership, a link can be put on your company's intranet.

Most importantly, your membership will help The Jason Foundation continue to offer its programs and services to schools, churches and communities at no charge. Your donation helps to insure that lack of economic resources will never be the sole deciding factor on whether these life-changing and life-saving resources are available to a student, educator/youth worker or parent. We ask for a three year commitment, but your membership in the Future 500 may be cancelled at any time during this three years.

Member / Company Name: _____
