

How to Start Your Fundraiser Page

Register

Register and create your fundraiser page at,
<https://p2p.onecause.com/birthdaywishes>

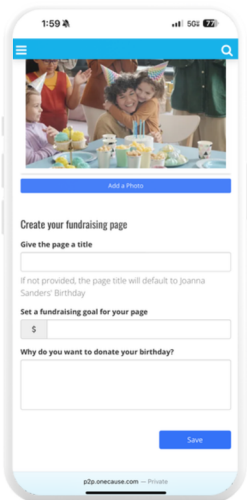

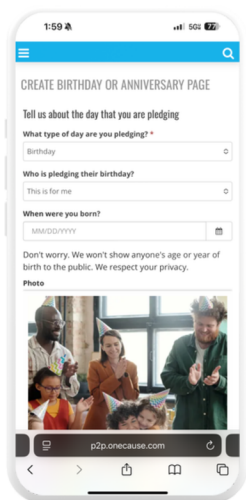

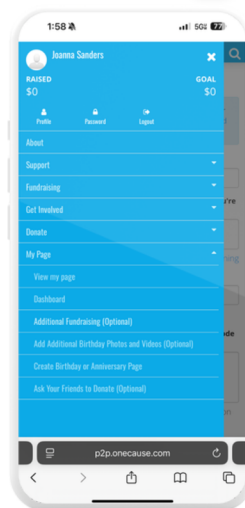

Additional Fundraising (Optional)

Bypass this step and proceed to
"Create a Birthday or Anniversary Page"

Click 3 Lines to Open Panel

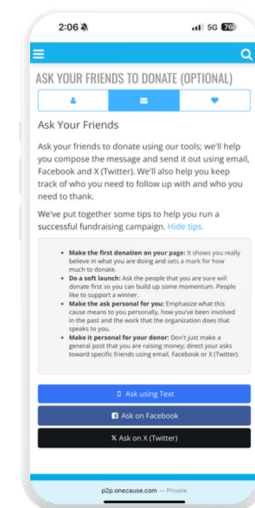

To navigate setup, click the three stacked lines to open the dropdown panel.

Create your Birthday or Anniversary Page

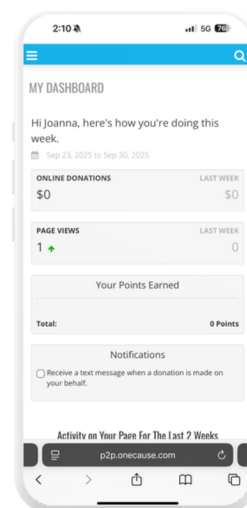

Complete the required fields on this page and click **"Save"** (Note: You may change the generic photo by clicking "Add a Photo" on the right side of the page). Click **"Save"** on the bottom right.

Be sure to click **"Publish Your Day"** to publish your fundraiser page. Once you publish your page, copy and paste the blue link to share with friends and family through text, email, or social posts. Example:
(<https://p2p.onecause.com/birthdaywishes/day/NAME-birthday>)

Ask Your Friends to Donate (Optional)

By utilizing the tabs in this section, you can make a donation, ask friends to donate, or thank your donors later. (Note: When using text, you insert your phone number to receive a suggested text that you may customize to forward from your phone number to friends.)

Your Dashboard

Click **"Manage My Page"** to access your Dashboard. From there, you will be able to track your online donations and page views.
