

How to Create Your Own Fundraising Page

[Register](#)

Register and create your Memorial or In Honor page at,
<https://p2p.onecause.com/jasondiy/challenge>

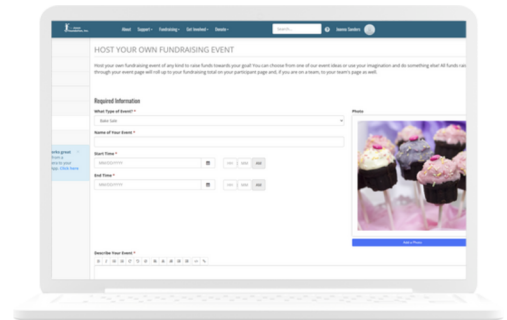

Additional Fundraising (Optional)

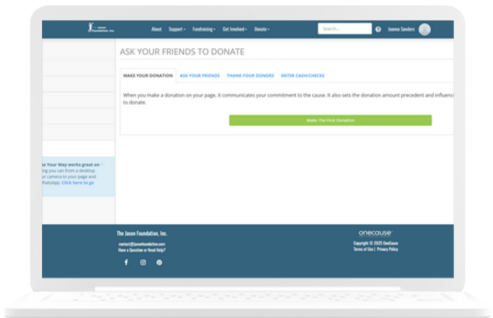

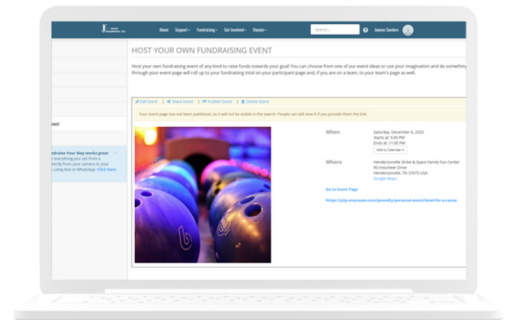

Bypass this step and proceed to **"Create Your Own Fundraiser Page"**

Create Your Own Fundraising Page

Complete the required fields on this page and click **"Save"** (Note: You may change the generic photo by clicking **"Add a Photo"** on the right side of the page). Click **"Save"** on the bottom right.

Be sure to click **"Publish Your Event"** to publish your Fundraising page. Once you publish your page, copy and paste the blue link to share with friends and family through text, email, or social posts.
(Ex: <https://p2p.onecause.com/jasondiy/personal-event/NAME>)

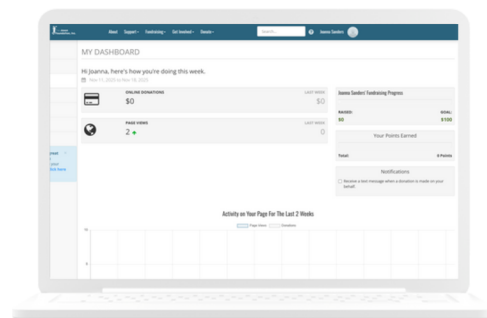

Ask Your Friends to Donate (Optional)

By utilizing the tabs in this section, you can make a donation, ask friends to donate, or thank your donors later. (Note: *When using text, insert your phone number to receive a suggested text that you may customize and forward to contacts*)

View My Page

Once you open the view my page, you can update your profile photo, see how your page looks to your others and send invites.

Your Dashboard

Click **"Manage My Page"** to access your Dashboard. From there, you will be able to track your online donations and page views.
