

How to Create Your Own Fundraising Page

Register

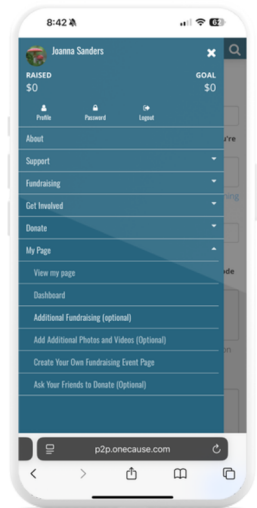

Register and create your fundraiser page at,
<https://p2p.onecause.com/jasondiy/challenge>

Additional Fundraising (Optional)

Bypass this step and proceed to **"Create Your Own Fundraising Page"**

Click 3 Lines to Open Panel

To navigate setup, click the three stacked lines to open the dropdown panel.

Create Your Own Fundraising Page

Complete the required fields on this page and click **"Save"** (Note: You may change the generic photo by clicking "Add a Photo" on the right side of the page). Click **"Save"** on the bottom right.

Be sure to click **"Publish Your Event"** to publish your Fundraising page. Once you publish your page, copy and paste the blue link to share with friends and family through text, email, or social posts. Example: ([https://p2p.onecause.com/jasondiy/personal-event/NAME](https://p2p.onecause.com/jasondiy/personal-event/baked-with-care))

Ask Your Friends to Donate (Optional)

By utilizing the tabs in this section, you can make a donation, ask friends to donate, or thank your donors later. (Note: When using text, insert your phone number to receive a suggested text that you may customize and forward to contacts)

Your Dashboard

Click **"Manage My Page"** to access your Dashboard. From there, you will be able to track your online donations and page views.
